Member Event FAQ's

Who from my organisation should attend each event?

Each member has a designated member contact from their organisation who can elect the appropriate representative/s to attend each event. We have events tailored towards different audiences from general staff to business executives. This will be outlined in the event invitation, which will be emailed to the designated member contact and other relevant contacts in your organisation. This is also outlined in the Event Calendar (page 12).

An event is at full capacity. What should I do?

As member events are popular, they often book out quickly. In this case, we strongly recommend you put your name on the waitlist so we know you are interested in attending and can offer you a ticket if it becomes available. You can do this through the Eventbrite link for each event. If a ticket becomes available, you will be contacted by the Brand South Australia events team who will add you to the guest list.

I can no longer attend an event. What should I do?

In the week leading up to the event, you will receive an email reminder and/or call to confirm your attendance. If you can no longer attend an event, please let us know so we can offer your place to another member. To cancel, please contact the events team on **(08) 8211 8111** or at events@brandsouthaustralia.com.au.
